About Noble Resources Trading Holdings Limited

Noble Resources Trading Holdings Limited (“Noble Resources”) together with its subsidiaries (the “Group”) is one of Asia’s leading independent energy products and industrial raw materials supply chain managers.

The Group operates in the supply chain of energy raw materials, technology metals, special ores and industrial minerals, and base metals, and is supported by its freight and logistics operations. The Group leverages its extensive regional network to facilitate the marketing, processing, financing and transportation of these raw materials, predominantly in Asia. It also provides supply chain and risk management services to clients.

On 7 February 2022, as part of a deleveraging and reorganisation of Noble Group Holdings Limited (“NGHL”), the ownership of Noble Trading Co Limited (“TradingCo”) and its subsidiaries was transferred to Noble Resources Trading Limited. Following that transfer, NGHL no longer has any ownership of the commodities trading business owned by TradingCo, which is now 100% owned by the Group.
